## Two Donor's Appreciation Give Safe Passage Client Tanya the Spotlight

A tranquil paradise in the heart of the Valley at ANGEL CITY HEALING gave one of our clients an opportunity to relax, be pampered and acknowledged by Spa Owner Kirsten Olsen than photographed by Ashli Shapiro.

Kirsten has a beautiful and serene spa layout that feels so warm and inviting for all of her clients. Tanya who is one of our women that will be graduating in May was able to experience Kirsten's guidance in applying a natural touch of makeup for everyday use and special occasions.

Kirsten informed Tanya that when she goes into broadcasting she will have to apply a different look in order to be camera ready. Kirsten taught Tanya steps on how to manage and apply a fresh, natural daily look for different days that will give her more confidence to take on life challenges.

Kirsten not only donated her time and services of her spa, but also presented Tanya with a gift bag to take home with the shades that she had used on her during her appointment.

Kirsten took the time to listen to Tanya and made her feel as comfortable since Tanya had informed her that she was not used to wearing makeup and does not feel completely comfortable with much on. Kirsten made Tanya camera ready for a photo shoot, which Ashli did in the beautiful garden behind the spa.

Ashli captured a few different looks, with 3 wardrobe changes. Tanya looked stunning since she is also a natural beauty.

*Thank You so much to Kirsten Olsen and Ashli Shapiro for donating their time to Safe Passage, making Tanya feel special and being a part of her story and transition.*

## Tae Kwon Do Classes Teach Children of Safe Passage Clients Self-Defense with Discipline and Respect

Safe Passage has the best of the best when it comes to the children's program. Tony Campo holds a 5th Degree Black Belt from Dae-myung Judo and Tae Kwon Do Academy in Glendale. He received his degree at Montana State University, has been teaching since 1976.

Tony has been donating his time to Save Passage for seven years and Tony also shoots video of our events. Tony is teaching a Tae Kwon Do class for the children of our clients. They are not only learning how to defend themselves, but they are also learning discipline and respect.

Their mothers are also involved in the class and they said that the kids are so excited every Saturday they wake up early for the class. This class has given the children tremendous self-esteem, and they are already getting good reports from their teachers at school saying they are doing so much better in listening and taking directions.

The children that are involved are Christen 7, Jesse 7, Saiorse 10. Nadjah 17. *Thank You Tony Campo for making such a difference in the lives of the children of Safe Passage.*

**Mission Statement:**

Safe Passage is compassionately transforming the lives of abused women and their children by providing hope, opportunity and empowerment.

**Our Vision:**

Our vision is to break the cycle of domestic violence by duplicating the Safe Passage program throughout the country. This will be accomplished by introducing the program to different cities and educating them on how they can utilize the community's resources to help transform the lives of their women and children. Safe Passage's goal is to fund its own Wellness Center for abused women and their children so that it can continue to effectively transform these clients into independent and healthy

citizens within our communities.
