Mi Amor Gala Launch Party, Havana White Party For Non-Profit Safe Passage Huge Success

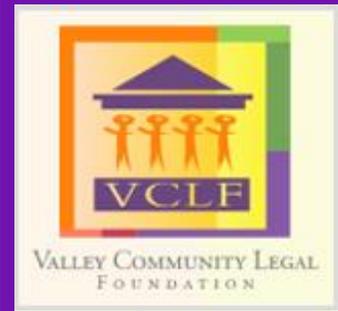

SPECIAL THANKS BY LUISA DIAZ : I want to thank you all my sponsors and friends that make this Mi Amor event possible. This was to help benefit the Safe Passage charity and the ladies that suffer from domestic violence. Those who received the Mi Amor Gala Award, Veronica Corona, Alfie Sila Durio, and Heather Wells were excellent women who help other women to become successful. The testimonies of the Safe Passage ladies Alicia Greenfield and Margie Fierro was very moving and right to the heart! Trish Steele, Founder of Women Crowned In Glory, Inc. and Safe Passage had many of her VIP supporters there and they were delightful; Dr. Bruce Vafa, Kevin Sharim, Nick Zargarour, and more. Special thanks to Co- host Dr. Estella Sneider for your heartfelt love to everyone!

Also thank you to my great assistant and Publicist Linz Miller and Sage Stevens for all your hard work. The celebrities that came to support us, Cristian Solís ,Adrienne Maloof, Janice Dickinson, Ken Davitian, Gary Strech, Charlotte Kirk, Jamie Luner, Esai Morales, Nick Polance, Evgenia Lorcy, and Dustin Quick.

Our Talents- Israella Claro, Ana Cristina, and Ramon Yslas rocked the house with an excellent Latin sound. The makeup and hair stylist team: Vanessa Mora, Igor Sanaev Howie Held, Cynthia Zuniga did a beautiful job on the Latinas Pinup Models and photographer Glenn Francis made them all shine.

Thank you all of you for making Mi Amor Gala a Fabulous Event!

Quote by Photographer and past Client Kelly Greene: As a past victim of deadly domestic violence and a graduate of Safe Passage Lives I have donated event photography to Safe Passage for approximately 5 years. Safe Passage and Trish Steele have continued to be a resource for encouragement, fellowship and support.

Thank you Terri Peckinpaugh and Linda Redman for this grant!

Testimony of Margie Fierro

I have lived most of my adult life indoors afraid to go out especially at night. I wanted so badly to get out, but I was paralyzed by fear due to past abuse starting at age 5.

Trish & Linda my two angels both beautiful inside & out have given me a new life & I cannot thank them enough. The therapy that Linda gives is like no other & believe me I have tried them all, with no success, however within only a few sessions with Linda I started finding the courage to go out now & then.

As time went on with weekly sessions I found I was able to see a beautiful, intelligent women looking back at me in

the mirror. I found myself walking with confidence and really enjoying going out. Thanks to Casablanca Salon in Sherman Oaks, (www.casablanecasalon.com) owner Renee Montesanti and hair Stylist Mirza for my new look!

Besides the therapy, the workshops & mentoring that Trish gave weekly and not to mention the unconditional love, compassion, sensitivity & understanding make us feel so special & add to our self-esteem helping us to realize we are all special & worthy of good things. To top it off, the self-defense classes I take with Tony Campo has allowed me to feel I can go out even at night knowing I can protect myself & I don't have to give into behaviors I don't want to do out of fear for my life.

I hope to continue working hand in hand & give back to Safe Passage by helping other abused victims realize they are worthy of joy & love; something I thought I wasn't worthy of. Today I know I am. Thank you Trish & Linda from the bottom of my heart for giving me a new life and a life I could have only imagined.

Mission Statement:

Safe Passage is compassionately transforming the lives of abused women and their children by providing hope, opportunity and empowerment.

Our Vision:

Our vision is to break the cycle of domestic violence by duplicating the Safe Passage program throughout the country. This will be accomplished by introducing the program to different cities and educating them on how they can utilize the community's resources to help transform the lives of their women and children. Safe Passage's goal is to fund its own Wellness Center for abused women and their children so that it can continue

to effectively transform these clients into independent and healthy citizens within our communities.
